University of Kentucky

FRANK GRAVES DICKEY, M.A., Ed.D., Pres.

- I. The College of Arts and Sciences offers to men and women programs of study leading to the degrees of Bachelor of Arts, Bachelor of Science, Bachelor of Arts in Journalism, Bachelor of Science in Industrial Chemistry, Bachelor of Music, and Bachelor of Science in Medical Technology.
- II. The College of Agriculture and Home Economics includes work in instruction, the Experiment Station and the Extension Division. Courses in Agriculture and Home Economics are offered leading to degrees of Bachelor of Science, Bachelor of Science in Agriculture and Bachelor of Science in Home Economics.
- III. The College of Law offers a three years' course leading to the degree of Bachelor of Laws. Students in the University of Kentucky College of Law publish the Kentucky Law Journal.
- IV. The College of Engineering offers courses of study leading to degrees of B.S. in Civil Engineering, Electrical Engineering, Mechanical Engineering, Mining Engineering and Metallurgical Engineering.
- V. The College of Education provides for the training of teachers, supervisors, elementary and high school principals, and city and county superintendents for the public schools of Kentucky. The college grants the degree of Bachelor of Arts in Education.
- VI. The College of Commerce aims to train young men and women for business careers, and also to provide instruction intended to give an understanding of the general aspects of economic relationships. The college grants the degree of Bachelor of Science in Commerce.
- VII. The College of Pharmacy is located in Louisville. It offers a three years' course leading to the degree of Bachelor of Science in Pharmacy.
- VIII. The College of Adult and Extension Education offers University courses by correspondence; serves the schools of the state through a visual education program; sponsors a high school activities program in speech, dramatics, and music; offers classes by extension in various cities, and night classes on the campus; serves the women's clubs of the state; supervises the Northern Center at Covington, and otherwise brings the University to the people.
- IX. The Graduate School presents advanced courses of study leading to the degrees of Master of Arts, Master of Science, Master of Arts in Education, Master of Science in Education, Master of Science in Agriculture, Master of Science in Home Economics, Civil Engineer, Electrical Engineer, Mechanical Engineer, Metallurgical Engineer, Mining Engineer, and the degrees of Doctor of Philosophy and Doctor of Education.
- X. The Summer Session provides numerous courses for teachers and others seeking degrees or college training of any kind. This program provides for all high school graduates who enter the University in the summer, a chance to graduate within three years. Upperclassmen may accelerate their college programs correspondingly.
- XI. The University maintains extensive laboratories and substations and carries on work in many scientific fields. It serves the state and the student body through its various bureau consisting of The Bureau of School Service, Bureau of Engineering and Research Development, The Placement Bureau, the Bureau of Business Research, The Department of Public Relations, The Bureau of Municipal Affairs, The Personnel Bureau, The Community Service, The Bureau of Source Material in Higher Education, and the University Radio Studios, through which regular educational, musical and cultural broadcasts are handled seven days each week.
